If a class has been determined to have a Pass/No Pass grading scale, the following administrative procedures will be followed:

- 1) The Chief Executive Officer will approve any class in coordination with Principals that will use a pass/no pass grading system.
- 2) Building Administrators in collaboration with teachers will set forth rigorous curriculum and a grading system that determines the benchmarks for passing.
- 3) Teachers will abide by those benchmarks to determine whether students have met minimum requirements to pass the class and receive credit (if given).
- 4) Students transferring from another school to CHPA Academies and have a grade(s) with Pass/Fail will be accepted for credit for that class(es) but will not apply to their GPA.
