The Board of Chávez/Huerta K-12 Preparatory Academy (CHPA) will allow for the formation of a student council in which student elections may take place. All student elections are open to all interested and/or eligible students. General guidelines for the establishment and operations of both the student council and the election procedures are as follows.

1. A faculty advisor must be selected to assist and guide student election processes
2. The Principal(s) will designate a staff member to sponsor the student council organization or student elections.
3. Any student may run for or hold a school office position
4. The Principal will develop criteria as to what each office details.
5. Any full time student with a minimum 2.5 GPA and in good standing may run for office.
6. Potential candidates will be given a platform to express their views and present reasoning on why they would be the best candidate for a particular office.
7. All students at CHPA may be allowed to vote. Secondary students will vote for secondary offices, while elementary students will vote for elementary offices.
8. The advisor will count or designate others to assist in counting the votes cast for each particular office. No students running for office will be allowed to count votes.
9. The winners will be announced to the student body no later than 24 hours after the vote.
10. If a student moves or abdicates their office before the end of the school year, the advisor will be allowed to appoint a student to that office or post.
