Chavez/Huerta K-12 Preparatory Academy is committed to provide opportunities and establish a supportive environment that makes it easy for students and staff to make healthy decisions while in school and in school related activities.

The following principles will be utilized to establish programs and services.

- The Board acknowledges the connection between student health and academic achievement.
- The Board acknowledges the important role that physical activity and sound nutrition play in supporting student health.
- The Board acknowledges the role of schools to model and institutionalize healthy behaviors that support student health and academic achievement.
- The Board supports the school staff, parents, students and community in creating a healthy school culture.
