<b>Last Reviewed</b>	February 22, 2016

As authorized by the State of Colorado, the Chavez/Huerta K-12 Preparatory Academy Board of Directors grants a high school diploma to those students who have completed the subject requirements for graduation as set forth by the State of Colorado. The Executive Director, in consultation with the Secondary Principal, shall establish procedures to determine diploma requirements and to ensure that graduation requirements are published in the student handbook and included in other resources that are convenient for students and parents.
