Adopted	November 8, 2016
Last Reviewed	November 8, 2016

College and High School credit may be granted to students who perform satisfactorily on the College Level Examination Program.

If a student satisfactorily passes the College Level Examination Program (CLEP) administered at any accredited college or university, the student will be awarded the college level credit and the equivalent high school credit.

Credit by exam will not be used as a credit recovery program. Students who have not passed a course will not be allowed to use credit by exam to make-up a credit.
