<b>Last Reviewed</b>	January 26, 2017

The Board of Chávez/Huerta K-12 Preparatory Academy (CHPA) will allow for the formation of a student council in which student elections may take place. The building principal shall develop the general guidelines for the establishment and operations of both the student council and the election procedures. A faculty advisor must be selected to assist and guide student election processes. All student elections are open to all interested and/or eligible students.
