Chavez/Huerta K-12 Preparatory Academy (CHPA) is committed to efficient energy management. The School's operational and planning decisions, to the extent practicable, will provide for:

1. The design, renovation, and construction of all buildings to meet or exceed state standards in energy efficiency and the prudent use of natural gas and electricity;
2. The prevention or minimization of energy-related pollution and wastes;
3. An emphasis on water conservation; and
4. Continuous improvement in the School's energy management performance.

No administrative procedure is required.
