It is the policy of Chavez/Huerta K-12 Preparatory Academy (CHPA) to provide an opportunity for individuals applying for academic positions to demonstrate their qualifications outlined by the Colorado Department of Education's (CDE) public charter school requirements.

Should the individual not possess a valid Colorado Teaching Credential, he/she can provide documentation of minimum academic qualifications as appropriate to the discipline. In the State of Colorado this includes a passing score declared by a certified PRAXIS or place testing center.

Review of minimum qualifications for applicants including equivalencies will be done in accordance with established procedure. The procedure will ensure a fair and objective process for determining if an applicant has the equivalent qualifications and is not intended to grant waivers for lack of the required qualifications.

I. QUALIFICATIONS FOR EMPLOYMENT

Minimum Qualifications: Minimum qualifications are established by the Colorado Department of Education. A current list of CDE's approved Minimum Qualifications for Faculty and Administrators in Colorado Charter Schools is available on the CDE website (www.cde.state.co.us)

Diversity Qualifications: In accordance with Colorado State Labor Laws, Colorado Employment Opportunity Act (§ 8-2-126, C.R.S.), job requirements shall include "sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic

backgrounds of K-12 students." These criteria are included in standard language on all CHPA job announcements.

Local Qualifications: CHPA may establish local qualifications which focus on knowledge, skills, and abilities of instructors, and other student services faculty. These local qualifications are to be determined by the Executive Director after consultation with faculty in the discipline and in collaboration with the Human Resources Department.
