Last Reviewed	March 14, 2017

Chavez/Huerta K-12 Preparatory Academy (CHPA) employees who use school computer networks and other technology, the information they contain, and related resources have the responsibility not to abuse the resources and to respect the rights of others.

The CHPA Board of Directors shall establish procedures that provide guidelines to staff for the appropriate use of information technologies. These procedures shall include guidelines such as users must respect software copyrights and licenses, respect the integrity of computer-based information resources, refrain from seeking to gain unauthorized access, and respect the rights of other computer users.

Last Revised February 10, 2017
