CHPA reserves the right to enter into employment agreements as it deems appropriate to address CHPA's needs. No individual, however, has the authority on behalf of CHPA to modify the “at-will” employment relationship, or enter into a contract of employment, or to make any legally enforceable promise or commitment – expressed or implied – with any employee, and no employee may rely upon any purported or draft contract, promise or commitment **unless** it is finalized and ratified by the Board of Directors. If there are discrepancies between the employment agreement and the Employee Handbook, the provisions of the employment agreement are controlling as reflected in Board Policy.

Each employee will receive an annual evaluation at the end of the academic school year and in accordance with the standards and procedures adopted by the Board of Directors. Employees shall not be supervised or evaluated by a relative in accordance with the school's policy regarding nepotism. SECTION 3: SCHOOL POLICIES - FEDERAL AND STATE LAWS

EQUAL EMPLOYMENT OPPORTUNITY

CHPA shall promote and provide for equal opportunity in recruitment, selection, promotion and dismissal of all personnel. Total commitment on the part of CHPA towards equal employment opportunity shall apply to all people without regard to race, color, religion, national origin, marital status, sex, age or handicap. Every available opportunity shall be taken to ensure that CHPA does not discriminate in any area of employment including job advertising, pre-employment requirements, recruitment, compensation, fringe benefits, job classifications, promotion and termination.

All employment decisions are based solely upon an individual's qualifications and capabilities and their relationship to the job, which must satisfy the reasonable requirements of the positions under consideration, including education, experience, demonstrated competence, and when applicable, certification requirements. We expect all employees to show respect and sensitivity toward all other employees, and to demonstrate a commitment to the school's equal opportunity objectives. If you observe a violation of this policy (BP 5180 Equal Employment), you should report it immediately to your supervisor, Human Resources or the President/Chief Executive Officer.

AMERICANS WITH DISABILITIES ACT OF 1990

The Americans with Disabilities Act of 1990 ("ADA") prohibits discrimination against any "qualified" employee or applicant with regard to any terms or conditions of employment because of such individual's disability, perceived disability or record of disability, so long as the employee can perform the essential functions of the job with or without reasonable accommodation. An employee may be entitled to a reasonable accommodation, provided s/he is a qualified individual with a disability, as defined by the ADA, who has made Human Resources aware a person who needs something to do their job and the barrier they are experiencing is related to his or her disability. There are no specific words needed to make a lawful request for accommodation, and once the need is made known, the employee and CHPA Human Resources can engage

in the interactive process to determine if the elements under the law are met, and there is a reasonable accommodation that is effective for the person with a disability. CHPA will address what must be provided as a reasonable accommodation, and the employee has an obligation to be cooperative in the interactive process including letting CHPA Human Resources know if the accommodation is effective or not. CHPA Human Resources will also check in with the employee to ensure the accommodation is effective. An accommodation that presents an undue hardship is not considered reasonable and may not be provided. All accommodations are determined on a case-by-case basis, and evaluated based on the effect of the qualifying disability on the specific job in question.

HARASSMENT/DISCRIMINATORY BEHAVIOR

Unlawful harassment and/or discriminatory behavior is not tolerated at CHPA. CHPA affirms the right of all students and staff regardless of race, color, religion, national origin, sex, age, or disability to be treated with respect and to be protected from intimidation, discrimination, physical harm, and/or harassment.

Harassment/discriminatory behavior that denies civil rights or access to equal educational opportunities may include comments, name-calling, physical conduct, or other expressive behavior directed at an individual or group that interferes with a person's ability to do their job, or creates a hostile work environment, based on the ethnicity, race, culture, religion, national origin, gender, or disability of the individual or individuals. Once CHPA Human Resources is aware of allegations of harassment or discrimination, it may investigate them. In some instances, if a single act is egregious it may constitute harassment or discrimination and trigger an investigation.

Individuals or groups are in violation of this policy if on school grounds, at school-sanctioned activities, or in vehicles dispatched by the school, they:

1. Make demeaning remarks directly or indirectly such as name-calling, racial slurs or "jokes," or physically threaten or harm an individual on the basis of ethnicity, race, culture, religion, national origin, gender, or handicapping disability.
2. Display visual or written material or deface school property or materials to demean the ethnicity, race, culture, religion, national origin, gender, or handicapping disability of an individual or group.
3. Threaten to or actually damage, deface, or destroy private property of any person because of a person's ethnicity, race, culture, religion, national origin, gender, or handicapping disability.

Staff members who believe that they have been the subject of harassment/discriminatory behavior or who have witnessed harassment/discriminatory behavior shall report the incident immediately to their direct supervisor, Human Resources or the President/Chief Executive Officer.

Any staff member who violates this policy (BP 5240 Prohibition of Harassment and Discrimination) by engaging in conduct defined above that directly or indirectly causes intimidation, harassment, or physical harm to another staff member or student shall be subject to appropriate disciplinary action, up to and including termination.

SEXUAL HARASSMENT

Sexual harassment is not tolerated at CHPA.

CHPA maintains a working environment free from sexual harassment and insists that all employees be treated with dignity, respect, and courtesy. Harassment on the basis of sex is a violation of federal law. In addition to being illegal, sexual harassment shall be considered a breach of professional conduct.

Any conduct or communication that constitutes sexual harassment is strictly prohibited. Any employee guilty of such conduct shall be disciplined.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and any other conduct of a sexual nature whereby:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or educational development.
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, including decisions to hire or terminate, promote or demote, or grant or deny privileges or benefits.
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or educational performance or creating an intimidating, hostile, or offensive working or educational environment.

Prohibited conduct includes, but is not limited, to:

1. Repeated, offensive sexual flirtations, advances, or propositions, verbal "kidding," abuse, or harassment;
2. Continued or repeated verbal remarks of a sexual, suggestive, or inappropriate nature;
3. Graphic verbal commentaries about an individual's body;
4. Sexually degrading words used to describe an individual;
5. Displays of sexually suggestive objects or pictures; or
6. Sexually explicit language or jokes.
7. Pressure for sexual activity.
8. Unwelcome touching of any kind.
9. Suggesting or demanding sexual involvement accompanied by implied or explicit threats concerning one's grades, employment status, or similar personal concerns.

EEO/SEXUAL HARASSMENT COMPLAINT PROCEDURE

To report a violation of the EEO policy (BP 5180 Equal Employment) or harassment policy (BP 5240 Prohibition of Harassment and Discrimination) as outlined above, including sexual harassment, employees must file a timely complaint to enable prompt investigation and correction of any behavior that may be in violation of these policies.

Such complaints should be reported to the Human Resources Department, preferably in writing. Upon receiving a complaint, the CHPA Human Resources will initiate a prompt investigation of the matter. Confidentiality within CHPA Human Resources will be kept on a need to know basis. Participants in any investigation into allegation, including the complainant and the respondent, shall be asked to maintain confidentiality as a courtesy to protect the privacy of all parties to the investigation.

If, after investigation, it is determined that an employee's behavior is in violation of this policy, appropriate and proportional disciplinary action will be taken, and where warranted may include termination from employment.

CHPA prohibits retaliation against any person participating in an investigation under this policy, if you perceive retaliation for making a complaint or for participating in an investigation, follow the complaint procedure outlined above. This policy creates no contractual rights for any person.

PROOF OF U.S. CITIZENSHIP AND/OR RIGHT TO WORK

CHPA is committed to full compliance with federal and state immigration laws and will not knowingly hire or continue to employ anyone who does not have the legal right to work in the United States. As an ongoing condition of employment, you will be required to provide documentation verifying your identity and legal authority to work in the United States.

WORKERS' COMPENSATION

If you are injured on the job, you must notify Human Resources and your supervisor verbally and in writing immediately and complete an Employee Written Notice of Accident Form from Human Resources within 24 hours of the accident. In the event an injury occurs on the job, all employees can obtain medical treatment from one of the designated providers communicated by the Human Resources Department and posted in the front office of each school. If an unauthorized medical provider treats an employee, the employee will be responsible for payment of said treatment.

TITLE IX

Title IX is commonly known as the “equal rights to sports” law but it also prohibits sex discrimination and harassment against students in federally-assisted education programs and activities. It applies to all public and private educational institutions, including elementary, secondary, school districts, colleges and universities. An “education program or activity” includes all of the school’s operations: all academic, extra-curricular, athletic and other programs; whether they take place in the school’s facilities, on a school bus, at a class or training program sponsored by the school whether at the school or another location.

It is important to know that Title IX prohibits discrimination and harassment by another student, school employee or a non-employee ‘third party’. Title IX also prohibits discrimination and harassment between male and female students as well as same-sex discrimination or harassment.

Examples of unlawful sex-based discrimination or harassment may include but is not limited to:

- Demand for sexual favors;
- Repeated requests for dates, letters making references to sexual conduct;
- Fondling, indecent exposure, sexual assault;
- Sexually derogatory comments, posting of sexually explicit drawings, either at school or on-line;
- Vulgar language and obscenities, pictures of nude males/females posted;
- Sexually offensive jokes or comments;
- Sexually explicit graffiti, especially graffiti campaigns targeted against a particular student or group of students;
- Student(s) taunting of another student(s) about engaging in sexual activity;
- General antagonism toward females/males with intentions of precluding males/females from participating or succeeding in school programs or activities;

Remember that this is not an exhaustive list but is intended to give you examples of what may be unlawful gender discrimination or harassment.

If you have any reason to suspect that a student is being discriminated against or harassed unlawfully because of their gender (male or female), you are required under Title IX to *immediately* report the discrimination/harassment to your immediate supervisor or the school Principal who has the appropriate forms for you to complete in reporting a possible Title IX violation.

WHISTLE BLOWER POLICY

The CHPA Human Resources Department has established procedures regarding the reporting and investigation of suspected unlawful activities by CHPA employees, and the protection from retaliation of

those who make such reports in good faith and/or assist in the investigation of such reports. For purposes of this policy and any implementing procedures, “unlawful activity” refers to any activity – intentional or negligent – that violates state or federal law, local ordinances, or CHPA policy.

These procedures shall provide that that individuals are encouraged to report suspected incidents of unlawful activities without fear of retaliation, that such reports are investigated thoroughly and promptly, that remedies are applied for any unlawful practices, and that protections are provided to those employees who, in good faith, report these activities and/or assist CHPA in its investigation.

Furthermore, CHPA employees shall not:

(1) Retaliate against an employee or applicant for employment who has made a protected disclosure, assisted in an investigation, or refused to obey an illegal order;

(2) Directly or indirectly use or attempt to use the official authority or influence of his or her position for the purpose of interfering with the right of an applicant or employee to make a protected disclosure to CHPA.

CHPA will not tolerate retaliation, and will take whatever action may be needed to prevent and correct activities that violate this policy (BP5110 Whistleblower Protection) including discipline of those who violate it up to and including termination.

SECTION 4: YOUR PAY AND PROGRESS

COMPENSATION POLICY / SALARY SCHEDULES

The Chávez/Huerta K-12 Preparatory Academy (CHPA) Board of Directors has established salary schedules and hourly rates of pay as well as health and welfare benefits for all classes of employees, which will be reflected in the employment contract with employee. This policy creates no contractual rights on the part of any person. Salary Schedules are available on the website under Financial Transparency. (BP 5110 Contracts/Compensation)

RECORDING YOUR TIME

Non-exempt employees are required to maintain an accurate record of all time worked on the web-based time clock which is to be accessed via the internet from any computer on school premises. You must clock in and clock out consistently. You are not allowed to have colleagues or any other person clock in or out for you. Clocking in for anyone other than oneself is considered time clock fraud. Time clock fraud is considered a serious offense and may subject a person to immediate termination. Clocking in or out from a computer not on campus or an internet-enabled cell phone or other device is not permitted. If for some reason you fail to clock in or out appropriately, you must submit the corrected time to your supervisor so that your time or pay is not erroneously calculated. **Failure to accurately and consistently utilize the web time clock may result in corrective or disciplinary action.**

All required payroll documentation, including but not limited to request for leave forms, personnel action forms and paper time sheets must be received electronically by the Fiscal Services Manager by the 15th of each month to be included on that month’s payroll.

COMPENSATION DATES

Employees will be paid monthly on the last business day of each month including Fridays. When the regularly scheduled payday falls on a holiday or weekend, you will be paid on the last business day preceding the

holiday or weekend. CHPA is closed on selected Fridays, however Fridays will still be considered a business day in terms of employees receiving their monthly pay.

Reconciliation of days worked vs. days paid will be exercised in all situations where employee incurs an early separation from CHPA.

Employees engaged as paid Head or Assistant Coaches for selected sports will be paid on the regular payday following the last day of the season pending clearing approval from the Athletic Director.

Please review your paycheck for errors. If you find a mistake, report it to the Payroll Department immediately. The Fiscal Services Manager will assist you in taking the steps necessary to correct the error.

GARNISHMENTS

CHPA, in accordance with State and Federal law, will honor all legal garnishments.

OVERTIME

Overtime must be approved in writing in advance of performing the work for part-time, hourly, and non-exempt employees. Such requests for overtime must be made through the school principal or department supervisor. Principals and supervisors may not approve overtime that exceeds budget allocations without written approval of the President/Chief Executive Officer. Only actual hours worked count towards computing overtime.

Non-exempt staff members will be given compensatory time off at time and one-half the hours worked over 40 hours in a work week or 12 hours in a workday in accordance with Federal and Colorado laws. If compensatory time off is not taken, the employee shall be paid at time and one-half their regular hourly rate for the overtime hours worked. Any employee who has accumulated 40 hours of compensatory time must be paid for additional overtime and may not accumulate additional hours. Compensatory time must be taken by no later than the end of the tax quarter following the quarter in which the compensatory time was earned.

EXTRA DUTY ASSIGNMENTS

All extra duty assignments, except class coverage, must be processed through the Human Resource Department before the work is performed. Extra duty assignments and compensation will follow the same approval process outlined for salaries.

SECTION 5: PAID TIME OFF (PTO) / LEAVES OF ABSENCE

OVERVIEW

For benefit purposes employees who work at least 30 hours per week are considered full-time employees and are eligible for fringe benefits. Employees who work less than 30 hours each week are part-time employees and are eligible for statutory benefits and PTO. Statutory benefits apply to all employees and are mandated by federal, state or, local law. Statutory benefits include PERA, Workers' Compensation insurance, and unemployment compensation insurance.

CHPA has developed a comprehensive Paid Time Off (PTO) policy to protect employee's income during times of illness, death of a family member, or emergencies. This staff handbook describes the current PTO plans maintained by the School.

PTO days are proportional to the regularly scheduled work day of the employee. Days are also prorated when employment begins after the first day of the work year or employment ends prior to the last working day of the work year. Overtime and extra duty assignments do not accrue any PTO. Unused PTO is not eligible for compensation upon separation of employment. Reconciliation of days worked vs. days paid will be exercised in all situations where employee incurs an early separation from CHPA.

The expectation for approved absences is that the employee prepares the necessary materials for his/her position in the event there is a need for a substitute. This includes lesson planning, grading, preparation of necessary classroom materials, and any communication needed to conduct school business in the employee's absence. Follow-up with supervisor is also required upon the employee's return.

EXCESSIVE TIME OFF

If employee exhausts all accrued PTO in any given academic year, additional work time missed will be deducted from that employee's appropriate pay period. Reconciliation of days worked vs. days paid will be exercised in all situations where employee incurs an early separation from CHPA.

REQUEST FOR PTO

Requested time off must be approved in advance by your immediate supervisor whenever possible, and at a minimum of 48 hours in advance of request. To request time off, employees must enter the electronic request in the Specialized Data Systems (SDS) for approval. This request must then be approved by your immediate supervisor ***PRIOR TO TAKING THE DAY OFF***. Before approval, employee must contact the Payroll Office, or login to SDS, to verify attendance record to determine the amount of PTO available. One full workday is 8.5 hours for payroll and PTO purposes.

PTO shall not be taken the first or last day of the semester or the workday before or after a holiday or scheduled school closure. In extenuating circumstances, the request for a PTO day within the above-mentioned timeframes is subject to the supervisors' approval. Violation of this PTO expectation can result in disciplinary actions. To ensure the continuity of educational programs and school needs, PTO requests may be denied by the supervisor.

TYPES OF LEAVE (PTO can be used if applicable and if available)

PAID TIME OFF (PTO)

Full-Time PTO eligible employees will earn the following:

- 168 work day contracted employees will earn 70.74 hours of Paid Time Off per fiscal year earned at 7.07 hours per working month of employment contract.
- 195 work day contracted employees will earn 85.09 hours of Paid Time Off per fiscal year earned at 7.09 hours per working month of employment contract.
- 208 work day contracted employees will earn 110.93 hours of Paid Time Off per fiscal year earned at 9.24 hours per working month of employment contract.

Part-Time PTO eligible employees will earn the following:

- 1 hour of PTO for every 30 hours worked up to 48 hours per calendar year

All PTO can accumulate to a maximum of 240 hours. If employee has already accumulated the maximum of 240 hours, they are still eligible to earn the appropriate number of PTO hours according to their assigned number of work days and months in their employment contract. Employees will not be able to carry over or accumulate these hours beyond the maximum of 240 hours from fiscal year to fiscal year. No PTO compensation will be paid to an employee upon separation from CHPA.

Employees hired prior to July 1, 2017 and who have already reached the then threshold of a maximum of 296 hours, or have accumulated between 240 and 296 hours, are eligible to carry over these hours until their hours are exhausted below the new threshold of 240 hours. Once the employee's PTO hour balance decreases below 240 hours the maximum carryover will be 240 hours from year to year. Employees hired after July 1, 2017 are subject to the maximum PTO carryover threshold of 240 hours.

As professionals, the expectation is that you will be present for the work days you have committed to in your annual employment agreement in order to meet the academic needs of our students. Taking PTO will not be allowed for any day prior to, or after, a scheduled school break. PTO will not be allowed to be taken 2 weeks prior to the start of the school year or during the 2 weeks after the school year ends as Professional Development is scheduled during these times. PTO can be taken for personal reasons and must be approved prior to the absence by employee's Supervisor.

SICK CALLS

Sick calls should be made to the employee's immediate Supervisor prior to 10:00 p.m. the night before or prior to 6:00 a.m. the day of illness. The employee must make the call himself/herself and at a minimum leave a message. Failure to call in pursuant to these guidelines may result in docked pay, a reprimand and/or termination. Once all PTO is used in a school year, the employee will be docked for any additional contract days at his/her pay rate. All requests for PTO must be approved by your immediate supervisor prior to the absence requested.

The employer has the right to ask for a physician's note in cases when an illness is reason for absence at any time, and a note is required if the staff member is absent for more than 3 days in one week due to illness.

JURY DUTY

Pursuant to applicable Colorado law, when called upon for jury duty, employee will be allowed the necessary time off to meet their requirements of jury duty. The employee must notify their Supervisor as soon as they receive a jury summons and at the end of each day while serving on a jury to keep the School apprised as to their work status. Employee must also provide documentation of jury summons. Employees must return to work once they are excused from daily jury duty during regular working hours.

Under Colorado law, the goal is to prevent any juror from experiencing financial hardship because of performance of juror service. To help accomplish that goal, CHPA agrees with each employee to provide full compensation of the employee's daily rate of pay during the time an employee is performing juror service, provided the employee remits to CHPA any pay the employee received from any other entity, for the performance of juror service. Pursuant to C.R.S. § 13-71-126, after the first three (3) days of jury service, the state typically pays any one juror compensation a daily jury amount not to exceed \$50/day, if the juror is employed. For those CHPA employees earning more than \$50/day and who desire to be provided full compensation based upon the employee's daily rate of pay, that employee shall be required to remit to CHPA any payment received by the CHPA employee for jury service, in order to be provided full compensation based on that employee's daily rate of pay.

MILITARY LEAVE

Staff members who are required to serve in any branch of the Armed Forces of the United States or are engaged in state military service are given the necessary time off, without pay.

Military orders should be presented to the Human Resources Department so arrangements for leave may be made as early as possible before a departure. Staff members are required to give advance notice of their

service obligations to the school unless military necessity makes this impossible. You must notify the Human Resources Department of your intent to return to employment based on requirements of the law.

WITNESS LEAVE

Staff members who are subpoenaed to serve as a witness in a school related criminal or civil proceeding will be given the necessary time off. Non-school related proceedings will be unpaid unless the employee chooses to use PTO. Legal proceedings where the staff member is a party will not be compensated, unless PTO time is available and employee chooses to utilize. Requests for witness leave should be made to your Supervisor in writing as soon as possible.

BEREAVEMENT LEAVE

Staff members will receive a total of 24 hours (i.e. 3 days) for each occurrence that can be utilized for situations of the death of an immediate family member. Any additional time needed for absences will be subject to the approval of the supervisor and the employee's PTO hours will be utilized. The term "immediate family" refers to employee's spouse, parents, grandparents, children and their spouses, sisters and brothers and their spouses, grandchildren, nieces, nephews, aunts, and uncles of you or your spouse, or family members residing in the same household. Requests for funeral leave should be made to your Supervisor in writing as soon as possible. The School reserves the right to request written verification of a staff member's familial relationship to the deceased and his or her attendance at the funeral service as a condition of the bereavement pay.

COLORADO DOMESTIC VIOLENCE LEAVE

Employees who are the victim of domestic abuse, stalking, sexual assault, or any other crime involving domestic abuse may take up to three days of leave, without pay or utilize their allotted Paid Time Off (PTO), in any 12-month period. Employee is allowed to use any available personal time with pay during this time period if applicable. Domestic Violence Leave can be used by the employee to protect himself/herself by obtaining a restraining order, obtaining medical care or psychological treatment for employee or employee's children, make employee's home secure, seek legal assistance, or attend and prepare for court-related proceedings. Employees seeking to take Domestic Violence Leave shall advise their Supervisor in advance of the need to take leave as soon as practical.

FAMILY AND MEDICAL LEAVE ACT (FMLA) – UNPAID LEAVE

The FMLA grants **UNPAID** leave to eligible employees. The Human Resources Department is charged with determining whether an employee is eligible for FMLA.

Generally, to be eligible for protection under the FMLA, an employee must be employed for at least 12 months and have worked at least 1,250 hours during the 12 months preceding the start of the leave. The maximum time allowed for leave pursuant to the FMLA is a total of 12 weeks (480 hours) in a 12-month period. The 12-month period is measured from the first day of your first leave. Although most leaves would be taken in a single block of time, intermittent leave or reduced leave schedules also may be approved when necessary.

All employees are required to first use any earned PTO at the beginning of their leave, unless collecting Workers' Compensation benefits. If collecting disability payments, PTO may be used first to offset the disability payments.

Once all PTO is exhausted, and all leave taken pursuant to FMLA is exhausted (should the employee qualify under the FMLA), the employee is required to return to work. Failure to return to work may be deemed voluntary job abandonment. The President/Chief Executive Officer, in conjunction with the employee's immediate supervisor, may grant additional unpaid leave if warranted by unusual circumstances or medical condition. This is an administrative decision that is not appealable.

CHPA will attempt to return each employee to his/her original position, when feasible.

FMLA will allow unpaid leave for:

- Serious health condition of the employee
- Employee giving birth of child
- Father's attendance at birth of child
- Parents' care of child following birth
- Placement of child with employee for adoption or foster care
- Serious health condition of employee's child
- Serious health condition of employee's spouse or parent.

The FMLA was amended by the Military Family Leave, Section 585(a) that adds two new leave entitlements for service members and their families:

1) Military Caregiver Leave: Eligible employees who are family members of covered service members are able to take up to 26 workweeks of leave in a "single 12-month period" to care for a covered service member with a serious illness or injury incurred in the line of duty on active duty. Please speak to the Human Resources Department for eligibility.

2) Qualifying Exigency Leave: The second new military leave entitlement helps families of members of the National Guard and Reserves manage their affairs while the member is on active duty in support of a contingency operation. This provision makes the normal 12 workweeks of FMLA job-protected leave available to eligible employees with a covered military member serving in the National Guard or Reserves to use for "any qualifying exigency" arising out of the fact that a covered military member is on active duty or called to active duty status in support of a contingency operation. Please speak to the Human Resources Department for eligibility.

SECTION 6: EMPLOYEE BENEFITS

CHPA provides certain insurance benefits to eligible employees. For questions regarding insurance benefits or eligibility please contact the CHPA Human Resources Department.

SAFETY AT CHPA

Wear personal protective equipment in accordance with the job you are performing. (i.e. when conducting science experiments or other potentially hazardous activities). Violations of safety precautions are themselves unsafe. Such violations may lead to disciplinary action, up to and including discharge. The school will ensure that an inventory of chemicals and hazardous substances is maintained, that the chemicals are stored and labeled in accordance with State and Federal regulations. The school Director of Facilities will ensure that Right to Know Notices are posted on staff bulletin boards.

The school Director of Facilities will ensure that Material Safety Data Sheets are on file for all toxic or hazardous substances in their school building.

CHILD ABUSE

Colorado's Mandatory Reporting law requires employees of a public school to report child abuse if they "have reasonable cause to know OR SUSPECT that a child has been subjected to abuse or neglect."

All staff members are obligated to report instances of child abuse or neglect to the school Principal. Instances of child abuse or neglect are to be reported when a staff member has reasonable cause to believe that a child under eighteen (18) years of age is suffering serious physical or emotional injury, including a perception that the child may inflict harm upon himself/herself, resulting from abuse inflicted upon him/her, including sexual abuse, or from neglect, including malnutrition or one who is determined to be physically dependent upon an addictive drug at birth. Staff is required to report instances of suspected child abuse or neglect to the school Principal verbally and in writing.

CHPA mandatory reporters, who come in contact with a child they suspect has been abused or neglected, must report to CHPA's Principal/Administration, who will then report the information to the Department of Human Services and/or law enforcement.

ZERO TOLERANCE WORKPLACE VIOLENCE

Violence by a staff member or anyone else against a student, parent, staff member or member of management will not be tolerated. The purpose of this policy is to minimize the potential risk of personal injuries to staff members and students on the CHPA campus, and to reduce the possibility of damage of school property in the event someone, for whatever reason, may be unhappy with a school decision or action by a staff member or member of management.

If you receive or overhear any threatening communications from a staff member or outside third party, report it at once. Do not engage in either physical or verbal confrontation with a potentially violent individual. If you encounter an individual who is threatening immediate harm to a staff member or visitor to our premises, contact an emergency agency (such as 911) immediately.

All reports of work-related threats will be kept confidential to the extent possible, investigated and documented. Staff members are encouraged to report and participate in an investigation of any suspected or actual cases of workplace violence in accordance with direction of the President/Chief Executive Officer. Your failure to report or fully cooperate in the school's investigation could result in discipline. Violations of this policy will not be permitted and may result in disciplinary action, up to and including discharge.

SECTION 9: OTHER POLICIES

FIELD TRIP POLICY

We at CHPA believe that educational field trips are a very important aspect of any educational program; however, they are extremely costly. Administration may limit educational field trips for any budget year.

All educational field trips must be approved at least 2 weeks in advance and be within the Principal or Teacher's annual budget. All field trip requests must be in writing, using the appropriate school form, and submitted to the Principal who may or may not recommend approval on such requests. All field trips are subject to final approval by the Principal.

Non-educational field trips cannot be paid for with school funds. Any non-educational field trip must be paid for by the individual students attending or through fund raising activities. If you are fundraising for a particular field trip, the fund-raiser must be approved by the Principal.

Appropriate travel to field trips includes the following:

- School Bus
- Charter Bus

TRAVEL POLICY

We at CHPA understand that travel is sometimes necessary for conducting business. The following travel guidelines have been established to provide all employees with the appropriate information when traveling on school business.

The employee authorized to travel is responsible for complying with State statutes, laws, regulations, policies and procedures and IRS guidelines and is responsible for accurately completing all required forms for reimbursement of authorized official business travel expenses and adhering to all CHPA policies, regulations and procedures related to travel by employees.

Employees are expected to exercise prudent judgment in incurring travel expenses. It is the Board's policy to reimburse employees out-of-pocket and direct expenses incurred while traveling on official School business. Expenses will be reimbursed in accordance with CHPA Board Policy Manual and CHPA Administrative Procedures and that are evidenced by itemized receipts (must include date of transaction and vendor name).

To ensure funds are available at the completion of travel, funds will be encumbered, in advance, based on the estimated total cost of the travel calculated on the Travel Request form available in the Administrative Services Office. All travel must be approved in writing by the supervisor or designee prior to making any travel arrangements for local and in state travel. Out of state travel must be pre-approved by the President/Chief Executive Officer. International travel requires pre-approval by the CHPA Board of Directors. Airline tickets should be purchased at least three weeks in advance. Employees are expected to seek the lowest airfare possible.

Employees should seek reasonable accommodations as close to the point of work as possible (i.e. conference attendees should stay at the site of the conference or as near the conference as possible).

Employees shall use public transportation, a shuttle service or a taxi when acceptable. Rental cars will only be reimbursed if other forms of transportation are not available or if other forms of transportation are too costly. Additionally, any employee who does rent a car must have full coverage insurance that covers him/her while operating the rental vehicle. The school will not provide insurance coverage for a rental car and does not reimburse for rental car insurance at the agency.

Meals are reimbursed according to the US General Administration Services per diem rates (www.gsa.gov), appropriate to the location in which you are traveling. All original receipts must be provided for reimbursement. The school will not reimburse for any alcohol. Gratuity/Tips are reimbursable; however, they must be a reasonable amount not to exceed 15% and be added to your receipt that is turned in for reimbursement.

FINANCIAL/ORDERING POLICY & PROCEDURES

The Administrative Services Office requires the use of Purchase Order Forms (POs) in the electronic format for all purchased products and services. To place an order for a service, product, or trip, or to request a check you must complete the required electronic request for fund, as well as provide appropriate documentation detailing the items being requested for order. All requests for funds must be accompanied by a print out of the items being ordered. The PO must be approved by the School Principal/Supervisor prior to being submitted to the Fiscal Services in the Administrative Services Office. These electronic requests must be submitted 7 to

10 business days prior to the date needed to allow time for the Administrative Services Office to process the request. Requests not turned in at least 7 business days in advance are subject to denial of funds.

All CHPA employees are responsible for following the Financial/Ordering Policy and Procedures (BP 4100 Purchasing). Do NOT make a commitment of school funds to any vendor at any given time without prior approval. Doing so can result in disciplinary action and /or termination of employment.

Any purchase that could result in a reimbursement MUST have the appropriate documentation attached as well as approval **prior** to making the purchase. Please see CHPA Administrative Services Office for clarification.

Please also remember that when collecting money for fundraisers (or any other school function) all funds need to be turned into the Administrative Services Office for deposit in a timely manner. You can then request use of collected funds through the Purchase Order/Check Request process.

SOCIAL MEDIA POLICY

CHPA has a designated process for social media communication regarding the school. Suggested communications should be submitted to your supervisor for approval through the appropriate channels. When using CHPA sites on social media, such as Facebook, CHPA employees should always consider whether what is posted will in any way impair their professional effectiveness or reputation. Staff should not use their personal Facebook or other social media to cultivate a non-professional relationship with students. CHPA employees are not permitted to access internet sites such as Facebook during their regular workday unless approved by immediate supervisor. (BP 5140 Social Media Use for Employees)

Chávez/Huerta K-12 Preparatory Academy (CHPA) Employees may use CHPA branded social media within school guidelines for instructional purposes only with prior permission from the building Principal and as with any other instructional material, the application/platform and content shall be appropriate to the student's age, understanding and range of knowledge.

CHPA staff should not communicate with students about CHPA business through personal social media platforms or by texting without prior authorization from the building Principal. Staff is expected to protect the health, safety and emotional wellbeing of students and to preserve the integrity of the learning environment and the reputation of CHPA.

CHPA staff shall not use school time or school technology for personal use of social media. Online or electronic conduct that distracts or disrupts the learning environment or other conduct in violation of this or related CHPA policies and as outlined in Administrative Procedure 5140 may form the basis for disciplinary action up to and including termination.

PROFESSIONAL RELATIONSHIPS

Chávez/Huerta K-12 Preparatory Academy (CHPA) will provide professional standards of conduct for employees regarding workplace relationships and staff/student boundaries. The goal of this policy (BP 5290 Professional Relationships) is to develop good working relationships and encourage a professional, respectful school community.

WORKPLACE RELATIONSHIPS

Any relationship that interferes with the school's culture of teamwork, the harmonious work environment or the productivity of employees, or creates a conflict of interest can be subject to the discipline policy. Adverse workplace behavior or behavior that affects the workplace that arises because of professional relationships will not be tolerated.

STAFF/STUDENT BOUNDARIES

In a professional staff/student relationship, school employees maintain boundaries with CHPA students that are consistent with their professional code of conduct and obligations whenever they are in their job capacity.

A boundary invasion is an act or omission by a school employee that violates professional staff/student boundaries and has potential to abuse the staff/student relationship. An inappropriate boundary invasion means an act, omission, or pattern of such behavior by a school employee that does not have an educational purpose; and results in abuse of the staff/student professional relationship and may be subject to Federal and State Laws.

Violations of these boundaries and expectations will be subject to CHPA's discipline policy, up to and including termination of employment.

GRANTS

Employees are encouraged to seek additional funds to support their work. However, to maintain equity amongst faculty and to protect the interests of the school, employees must seek prior written approval from the Principal and/or the President/Chief Executive Officer for any grant submissions and/or fundraising activities.
